## Clean&White LONG POSTS

### Dazzling Smile in 45 Minutes

✨ Do you want a dazzling smile in just 45 minutes? Discover the Clean&White program combining the dental hygiene session with BlancOne CLICK, our fast whitening treatment that restores the brightness of dental enamel in 10 minutes! Our Clean&White protocol is fast, painless, and mini-invasive! Thanks to the introduction of advanced technologies to reduce the time required by a traditional hygiene session and allow for more frequent ones, biofilm can now be removed using

an air polisher only, with no need of a scaler, which can be painful. All this in just 45 minutes, with 10 minutes of full relaxation for you!

Health and beauty of your smile are our priority. ❤️ Book now and discover the power of a healthy and bright smile! #DazzlingSmile #DentalHygiene #FastBleaching #Clean&White

### **The Health of Your Teeth is Important**

✨ The health of your teeth is important for us! With our Clean&White program, combining dental hygiene and teeth whitening with BlancOne CLICK, you'll get clean and bright teeth in just 45 minutes!

Easy, fast, and pain-free! With the Clean&White protocol, your dental hygiene session won't be painful anymore! By reducing the time required by traditional hygiene and increasing its frequency, your hygiene session now becomes more comfortable with the prevalent use of biofilm removal powders.

With the Clean&White protocol, combine dental hygiene with BlancOne CLICK, our fast whitening treatment, giving you 10 minutes to relax! Take care of your smile today. #OralHygiene #HealthySmile #PainlessTreatment #Clean&White

### **A Shiny Smile**

*note: please use before/after image of a patient's smile.*

✨ Look at the difference! In just 45 minutes, our Clean&White program transforms your traditional dental hygiene session into a pleasant experience crowned with a dazzling smile!

Whiter teeth and a healthier mouth without discomfort! With the Clean&White program your dental hygiene session can be fast and pain-free. Using advanced technologies such as the plaque detector, biofilm can be removed with a targeted, minimally invasive and pain-free action.

Come find out how to improve your dental hygiene quickly and easily! #BeforeAndAfter #BrightSmile #DentalHygiene #Clean&White

### **A Whiter Pain-Free Smile**

☀️ Do you want a whiter smile with no pain? Our Clean&White program is the perfect solution!

Fast, mini-invasive, and super effective! The Clean&White program, compared to traditional hygiene, is fast and comfortable! Thanks to its shortened timeframe, it allows for the inclusion in the same session of a BlancOne CLICK whitening treatment, which

is quick, painless and only 10 minutes long, without the need for a gum barrier, and with no dental sensitivity.

With BlancOne CLICK, gentle teeth whitening becomes a natural extension of your hygiene session!

Take care of your dental hygiene and flaunt a healthy, bright smile in just 45 minutes.  
#TeethWhitening #HealthySmile #FastTreatment #Clean&White

### **Fast and Effective Treatment**

 In just 45 minutes, you can get whiter teeth and a healthier mouth! Our Clean&White program is fast and pain-free, perfect for those short on time but wanting a WOW smile!

Transform your traditional hygiene session with the Clean&White program, combining mini-invasive dental hygiene with the dental hygiene session with BlancOne CLICK. What does the session involve?

- Evaluation of final enamel brightness and instructions for maintenance
- Assessment of gum health and enamel brightness
- Plaque detection and home hygiene instructions
- Biofilm and superficial stain removal
- Fast, sensitivity-free teeth whitening and enamel polishing
